

Press Release

medac to strengthen its presence in the Middle East

Wedel, Germany / Dubai, UAE – October 14, 2025 – **Today medac, a globally active pharmaceutical company specialising in therapeutic solutions for oncology, rheumatology, urology and hematology, announced the acquisition of Biotech Pharma, based in Dubai.**

The signing ceremony took place on October 9, in Dubai, with Frank Lucaßen (Chief Executive Officer, medac), Manfred Köhler (Chief Commercial Officer, medac) and Huthaifa Salem (General Manager, Biotech Pharma) present on site.

Following this acquisition, medac will establish its own entity, medac pharma LLC, that will be managed and operated by the experienced Biotech Pharma team.

“The establishment of medac pharma LLC marks a major milestone in our journey towards deeper regional integration”, said Frank Lucaßen, CEO at medac. “By building a direct presence in Dubai, we are strengthening our footprint in the Middle East, Africa, and Turkey, enabling closer alignment with local markets and ensuring efficient access to our high-quality therapeutic solutions.”

Huthaifa Salem, newly appointed General Manager of medac pharma LLC, added: “This step represents an exciting new chapter for medac in the MEA region. By combining local expertise with the company’s long-standing experience and international standards, we are well-positioned to expand our impact and further improve patient care in the region.”

The establishment of medac pharma LLC reflects a strategic ambition to expand the global reach, streamline operational processes, and reinforce the position as a trusted healthcare provider in key international markets. With more than 50 years of experience in developing, manufacturing, and delivering pharmaceutical products, the company remains committed to improving human health through reliability, innovation, and quality.

At medac group, we believe that health is humanity's most valuable resource. Since 1970, our mission has been to improve patients' quality of life worldwide by making the best medical treatments available. As a globally operating pharmaceutical company headquartered in Germany, we provide high-quality medical treatments for patients worldwide in over 90 countries. With more than 2.000 employees we are committed to improving human health.

Our products are manufactured in Germany and other European countries to the highest standards, utilizing our own logistics center and production sites, and subsequently distributed worldwide.

We are constantly working to improve authorized medicines and to develop innovative therapies in the fields of rheumatology, urology, hematology, and oncology. Part of our mission is to provide safe, high-quality and innovative original products, as well as generics and biosimilars. In this way, we make vital treatments accessible to those affected.
